**Ms. Priya Sharma**

Head of Talent Acquisition

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

I am writing to express my keen interest in the **Junior Software Developer** position at Infosys Limited. As a recent graduate with a strong academic foundation in computer science and hands-on project experience in Python, SQL, HTML, and CSS, I am eager to begin my professional career with an organisation of Infosys's calibre and global reach.

During my academic programme, I undertook several individual and team-based projects that allowed me to apply my technical skills in practical settings. I developed responsive web interfaces, designed relational database schemas, and built Python scripts for data processing and automation. These experiences gave me a solid appreciation for clean code, logical problem-solving, and the value of teamwork.

Beyond technical ability, I bring a strong work ethic, a willingness to learn at pace, and effective communication skills that allow me to collaborate and contribute meaningfully from the very start. I am adaptable, detail-oriented, and genuinely enthusiastic about growing within a structured and dynamic professional environment.

I would be grateful for the opportunity to discuss how I can contribute to your team. I have attached my resume for your review and am available for an interview at your convenience. Thank you for your time and consideration.

Sincerely,

**Dipesh Subhash Tambakhe**

**Mr. Rohan Mehta**

Creative & Technical Director

TechVision Solutions Pvt. Ltd.

Ahmedabad, Gujarat, India

**Dear Mr. Mehta,**

I am pleased to present my academic and personal project portfolio for your consideration. As a fresher entering the IT industry, this collection represents the work I have dedicated myself to throughout my studies — a reflection of my technical curiosity, initiative, and commitment to building practical, real-world solutions.

The portfolio includes the following:

- **Web Development Projects** – Responsive, user-friendly web pages built with HTML and CSS, designed with attention to layout, accessibility, and visual clarity.
- **Database Design & SQL Work** – Academic and self-initiated projects involving relational database modelling, query optimisation, and data retrieval exercises.
- **Python Scripts & Mini-Applications** – Functional programs addressing everyday problem-solving tasks, including data manipulation, file handling, and basic automation.
- **Collaborative Assignments** – Group projects that reflect my ability to contribute within a team, communicate clearly, and deliver results under structured timelines.

Each piece of work has been developed with a genuine desire to understand not just how things work, but why they work — a mindset I intend to carry into every professional role I take on.

I would welcome the opportunity to walk you through my portfolio at a time that suits you. Thank you for your time and consideration.

Sincerely,

**Dipesh Subhash Tambakhe**

## **Recommendation Letter / Letter of Appreciation**

---

**Prof. Suresh Iyer**

Associate Professor, Dept. of Computer Science  
Sardar Patel University  
Anand, Gujarat, India

June 01, 2026

**To Whomsoever It May Concern,**

It is with great enthusiasm that I recommend **Mr. Dipesh Subhash Tambakhe** for any professional opportunity he may seek. I had the pleasure of teaching and guiding Dipesh during his undergraduate studies in Computer Science at Sardar Patel University, where he consistently stood out as one of the most dedicated and intellectually curious students in his cohort.

Dipesh demonstrated a genuine passion for technology and a commendable drive for self-improvement. His grasp of Python programming, SQL, and web technologies was not merely academic — he actively sought to apply these skills through independent projects and collaborative assignments, often going beyond what was required.

What distinguished Dipesh most, however, was his maturity, his ability to communicate ideas with clarity, and his respectful, team-first approach to every group endeavour. He is the kind of individual who makes those around him better — a quality that is rare and deeply valuable in any professional setting.

I recommend Mr. Tambakhe without reservation and am fully confident he will make a significant, positive impression wherever he begins his career. Please feel free to contact me should you require any further information.

Yours sincerely,

**Prof. Suresh Iyer**

Associate Professor, Dept. of Computer Science  
Sardar Patel University, Anand

## Internship / Training Verification Letter

**TechVision Solutions Pvt. Ltd.**

HR & Operations Department

Ahmedabad, Gujarat, India

June 01, 2026

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that **Mr. Dipesh Subhash Tambakhe** successfully completed an internship with **TechVision Solutions Pvt. Ltd.** in the capacity of **Web Development Intern** from **[Start Date]** to **[End Date]**.

During his internship, Mr. Tambakhe contributed to live projects involving front-end development using HTML and CSS, assisted with database tasks using SQL, and supported the backend team with Python-based scripting assignments. He approached each task with sincerity, technical aptitude, and a positive attitude.

Mr. Tambakhe was punctual, professional, and receptive to feedback throughout his tenure. He demonstrated a commendable ability to learn quickly and apply new concepts effectively in a real-world team environment.

This letter is issued upon his request for the purpose of academic records and future employment applications. We wish Mr. Tambakhe the very best in his career ahead.

Authorised Signatory,

**Ms. Nisha Patel**

HR Manager, TechVision Solutions Pvt. Ltd.

Gujarat, India

June 01, 2026

**Mr. Karan Desai**

Director of Engineering

Wipro Technologies

Hyderabad, Telangana, India

**Dear Mr. Desai,**

I am reaching out to express my strong interest in joining Wipro Technologies as a fresher in your software development division. Although I am not currently aware of a specific vacancy, I am eager to connect with your team and explore any graduate entry opportunities that may be available now or in the near future.

I have recently completed my undergraduate degree in Computer Science and have spent the past year strengthening my practical skills in Python, SQL, HTML, and CSS through academic projects, personal initiatives, and an internship in web development. I am confident in my ability to contribute effectively within a structured team from an early stage.

Wipro's reputation for nurturing fresh talent, investing in employee development, and delivering technology solutions at scale is exactly the kind of environment in which I hope to begin my career. I am enthusiastic, adaptable, and ready to learn from some of the best minds in the industry.

I would welcome even a brief conversation at your convenience. I am happy to share my resume, portfolio, or any other material that may be of help. Thank you sincerely for taking the time to read this letter.

Sincerely,

**Dipesh Subhash Tambakhe**

**Ms. Priya Sharma**

Head of Talent Acquisition

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

I am writing to express my sincere gratitude for the opportunity to interview for the **Junior Software Developer** role at Infosys Limited on **[Interview Date]**. It was a truly enjoyable and insightful experience, and I came away feeling even more motivated about the prospect of starting my career with your team.

The conversation gave me a clearer picture of the kind of work Infosys does and the values that drive your teams. I was particularly inspired by the emphasis on continuous learning and collaborative problem-solving — both of which resonate strongly with my own professional outlook as I begin my career.

I remain very enthusiastic about this opportunity and am confident that my skills in Python, SQL, and web development, combined with my eagerness to grow, would allow me to be a productive and committed member of your team from day one.

Should there be any additional information I can provide — whether references, project samples, or anything else — I would be more than happy to do so. Thank you again for your time; I look forward to hearing from you.

Sincerely,

**Dipesh Subhash Tambakhe**

**Ms. Priya Sharma**

Head of Talent Acquisition

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

I am truly delighted to formally accept the offer of employment for the position of **Junior Software Developer** at Infosys Limited, as detailed in your offer letter dated **[Offer Date]**. This is a wonderful opportunity and I am deeply grateful for the trust your team has placed in me as I begin my professional career.

I confirm my acceptance of the compensation package, the responsibilities outlined in the offer, and the proposed joining date of **[Start Date]**. I have carefully reviewed all terms and conditions and am in full agreement.

I am genuinely excited to take this first step in my career with such a prestigious and globally recognised organisation. I intend to bring my full commitment, enthusiasm, and willingness to learn to the team from the very first day.

Please do not hesitate to share any pre-joining formalities or onboarding instructions at your convenience. I look forward to joining the Infosys family and making a meaningful contribution from the outset.

Sincerely,

**Dipesh Subhash Tambakhe**

**Ms. Priya Sharma**

Head of Talent Acquisition

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

Thank you very much for extending to me the offer for the position of **Junior Software Developer** at Infosys Limited. I am genuinely grateful for the opportunity and for the time and care your team devoted throughout the recruitment process.

After thoughtful consideration, I have made the difficult decision to respectfully decline the offer at this time. This was not an easy choice — Infosys is an organisation I deeply admire — however, I have decided to accept another opportunity that more closely aligns with my immediate career goals and personal circumstances as I begin this new chapter.

I sincerely apologise for any inconvenience this may cause and hope it does not reflect poorly on my regard for Infosys and your team. I would very much like to leave the door open for any future possibilities, as your organisation remains one I hold in the highest esteem.

Thank you once again for this generous opportunity. I wish you and the entire team at Infosys every continued success.

Sincerely,

**Dipesh Subhash Tambakhe**

Gujarat, India

June 01, 2026

**Ms. Priya Sharma**

Team Lead / Reporting Manager

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

I am writing to respectfully request a leave of absence from **[Start Date]** to **[End Date]** — a total of **[X] working days** — due to an urgent personal family matter that requires my presence during this time.

I understand that as a new member of the team, it is especially important for me to remain consistent and reliable, and I do not take this request lightly. I have made every effort to plan ahead: all current tasks will be completed or appropriately documented before my leave begins, and I am happy to brief a colleague on any pending items to ensure continuity.

I will remain reachable on email for any urgent queries and will ensure a smooth return on **[Return Date]**, fully prepared to resume all responsibilities and quickly catch up on any developments.

I greatly appreciate your understanding and the supportive culture at Infosys. I am committed to this role and to contributing meaningfully to the team, and I assure you this will be handled with full professionalism. I humbly request your approval at your earliest convenience.

Sincerely,

**Dipesh Subhash Tambakhe**

## Resignation Letter

---

**Dipesh Subhash Tambakhe**

dipseditor@gmail.com

+91 70161 48083

Gujarat, India

June 01, 2026

**Ms. Priya Sharma**

Team Lead / Reporting Manager

Infosys Limited

Bengaluru, Karnataka, India

**Dear Ms. Sharma,**

I am writing to formally tender my resignation from the position of **Junior Software Developer** at Infosys Limited, with my last working day being **[Last Working Day]**, in accordance with the notice period specified in my employment agreement.

This has been a meaningful decision and not one I have arrived at quickly. My time at Infosys, even in its early stages, has been an incredibly valuable experience. I have had the privilege of working in a professional, structured environment that has already shaped my approach to software development and workplace collaboration in ways I will carry throughout my career.

I am resigning to pursue an opportunity that offers a specific direction I feel is the right next step for me at this point in my career. This decision is entirely personal and in no way a reflection of any dissatisfaction with the team or the organisation.

I am fully committed to a smooth and responsible handover during my remaining time. I will document my work thoroughly, complete any pending responsibilities, and assist in transitioning my tasks to whoever takes over.

I am sincerely grateful to you and the entire team for the guidance, patience, and support extended to me. I hope to stay in touch and wish Infosys every continued success.

Sincerely,

**Dipesh Subhash Tambakhe**
